“Perl is a fantastic language for developers.”

– *Simon Cozens*

A horizontal blue line spans the width of the slide. A vertical blue line segment intersects it from above at approximately one-fifth of the way from the left. Another vertical blue line segment intersects it from below at approximately three-quarters of the way from the left. The year '2016' is written in blue text above the horizontal line, positioned between the two vertical markers.

“Don’t ever make the mistake
that you can design something better than
what you get from ruthless massively parallel trial-
and-error with a feedback cycle.”

– *Linus Torvalds*

THANKS!
